

Texas Association of Broadcasters

Non-Commercial Membership Application

According to Section 3c of the TAB Bylaws: *NON-COMMERCIAL membership shall consist of any universities, colleges, junior colleges, individual educators, low-power FM stations and other non-commercial broadcast stations such as public broadcasting and religious stations.*

Dues are based on a sliding scale in accordance with the budget for each station's/institution's broadcasting operation. Please check the category that applies to your operation. Individual educators may join for \$50 after the campus station becomes a member. Educators at schools without campus stations may also join for \$50 each.

PLEASE NOTE: Traditionally payment of dues has been deductible for most members of a trade association as an ordinary and necessary business expense. In 1993, Congress revised that statute to prohibit tax exemptions on portions of dues used to confer with members of Congress, legislators and the executive branch of government about specific legislative matters. IRS rules dictate that those costs be paid from dues rather than other income sources. None of your dues is deductible. Dues include \$20 for each subscription to the TABulletin monthly newsletter.
